

CLEARWATER'S DOLPHINS

PURCHASE FORM

Due to the overwhelming success of Clearwater's Dolphins 2012 public art exhibition, businesses and individuals have requested additional dolphins, which may be added to the Dolphin Trail, www.clearwatersdolphins.com. To date, 202 dolphins have been purchased of which over 140 are on the Trail. Dolphins are now on display in 10 counties within Florida including the state highway welcome centers. Orders for new 6' dolphin sculptures are to be placed with Icon Poly, the manufacturer. Dolphin owners are responsible for the decoration of their sculptures. The Chamber will be happy to provide a list of artists to the buyers upon request. Your dolphin(s) will be trucked to a location in Pinellas County or be crated and shipped.

Once your dolphin is decorated and displayed in a location where the public can view it, please provide the following to the Chamber so your dolphin can be added to the Trail: a photograph of the dolphin; name of the dolphin, owner and artist; and specific address where the dolphin is displayed.

DOLPHINS COST \$1,200 EACH

(Includes 6' tall 75 pound fiberglass/resin bottlenose dolphin, already primed, plus brackets/hardware for installation)
 Delivery charge is an additional \$100 per dolphin if trucked and \$498 if crated and shipped. You will be notified of dolphin pick up location and actual delivery date.

HOW MANY DOLPHINS WOULD YOU LIKE TO PURCHASE? _____

PAYMENT MUST BE MADE PRIOR TO YOUR DOLPHIN BEING FABRICATED
